

Mission Seeking Wreath Decorators

BAR HARBOR — The Maine Sea Coast Mission will hold its annual Holiday Open House on Friday, Dec. 3, at the Colket Center.

The open house raises funds for the Mission's Christmas program, which provides 16,000 gifts to over 3,000 children, families and elderly in need in Downeast Maine and on coastal islands.

This year's event will include a wreath silent auction. The wreaths will be displayed at the open house and will be sold to the highest bidder. The Mission needs artists and businesses to decorate wreaths, which have been donated by local wreath makers. The wreaths will be available for decorating on Monday, Nov. 22.
