R.H. Foster Team Wins EdGE Tennis Tourney

ELLSWORTH — R.H. Foster, led by captain Kathy Foster, took top honors in the fourth annual EdGE Open Tennis Tournament Oct. 17 and 18 at the Ellsworth Tennis Center.

The Foster squad, which reached the semifinals of last year's tournament, downed a Machias Savings Bank team in this year's final.

Other semifinalists from among the 12 competing teams with nearly 100 players sponsored

by area businesses were the Machias Business Group (Charles H. Dorr DDS, Tom's Mini-Mart and Whitney's Originals) and the Ellsworth Business Group (Acadia Realty, Harmon tire, McCullough Engineering and Toothaker & Chong),

The tournament benefits the Maine Sea Coast Mission's EdGE after-school and summer programs serving children in grades 4-12 in 17 communities of coastal Washington and Han-

cock counties.

In 2006, the EdGE program was selected by the Maine-After-School Network as the best of 37 after-school programs receiving state funding.

Other area businesses sponsoring teams this year included Bar Harbor Bank & Trust, Dead River Company, J.T. Rosborough Inc., Jasper Wyman & Son, Linnehan Investments, Morrison Chevrolet, Small Animal Clinic and Stanley Suburu/Hale & Hamlin.
