Mission open house supports Christmas programs

There's no place like home for the holidays, and the Mission for Great Mexico is no exception. With its festive decorations and warm atmosphere, the open house is a perfect way to celebrate the season. The event is open to all and is a great opportunity for the community to come together and support the Mission's Christmas programs.

The Mission for Great Mexico is a non-profit organization that provides a variety of services to the community. One of its main programs is the Christmas program, which provides food, clothing, and other necessities to those in need. The open house is a great way to raise funds for this program and to show our support for the Mission's work.

The open house will be held on December 15th, from 10:00 AM to 4:00 PM. The event will be held in the main hall of the Mission and will feature a variety of activities, including a Christmas tree lighting, a raffle, and a silent auction. There will also be a special presentation of the Christmas program to the community.

The Mission for Great Mexico is a proud member of the community and is committed to providing a warm and welcoming environment for all. We look forward to celebrating the holidays with you and to supporting the Christmas program.
