

Mission 2020 Scholarship Applications Now Available Online

BAR HARBOR, ME — Maine Seacoast Mission's [Scholarship Program](#) 2020 Application and Re-Application are available now for downloading online. The deadline postmark for applying for a Mission scholarship is May 1, 2020.

Through its Scholarship Program, the Mission helps recent high school graduates and adults, from Maine's offshore islands and Downeast communities, continue their educations and achieve their dreams.

Since 1918, the Mission has awarded almost \$3 million to 3,692 deserving students. Each year the Mission awards approximately 30 new scholarships based on student financial needs and academic promise. Scholarships can be renewed each year of a multi-year program, resulting in nearly 100 Mission scholarships in any given year.

Last year, [Matthew Correia](#) was awarded the Mission's David & Ann Ingram Scholarship. Matthew's advice to new applicants is, "Be honest. Be brave. Don't worry about anything. [In applying] I was honest, I was truthful, I was not afraid to tell [the Mission] how I feel and what I wanted to do."

February Break Offers Opportunities for EdGE Students

CHERRYFIELD, ME — It is a February break camp tradition that EdGE kids look forward to every year: mini golfing at [Cherryfield Academy](#). Each year, community members design 18-hole golf courses and EdGE kids have a blast voting for their top three choices and putting their way to lasting memories.

Also, [Schoodic Arts for All](#) introduced EdGE student artists to professional artist Steve Valleau and his amazing world of wood burned bird mobiles. Some EdGE students learned pottery wheel throwing basics from Schoodic Arts for All Children's Program Coordinator [Anna Woolf](#).

Winter break activities provide meaningful opportunities for EdGE students to expand their horizons and take advantage of the wonderful resources around them!
